

PAYMENT PROCESSING SOLUTIONS

Get the power of 2CP's TPro payment gateway integration with Intacct. 2CP manages the entire experience from card payments, ACH, e-commerce, PCI compliance, through to Intacct integration: One Payments Vendor, Setup to Support.

Shopping Cart

Save time with automatic creation of customer and invoice records with 2CP's shopping cart plug-ins for Magento and nopCommerce, as well as, our own 2CP Quick Cart

From your customers' shopping cart data entry, 2CP's plug-ins create customers and sales orders "On-the-Fly", then processes the credit card and updates payment status in Intacct down to the G/L using Undeposited Funds or directly to a Checking Account

We match existing credit card (merchant account) pricing and you benefit from no more e-commerce fees

Create multiple shopping cart templates based on website, Intacct entity, or almost any other classification

No more manual integration of account receivables and multiple entities are supported

Now with Non-US Bank Payments!

Automate Invoicing and Credit Card/ACH Payments at No Additional Cost!
