

# Corpay Complete

## Best-In-Class AP Automation for Sage Intacct

Introducing Corpay Complete, the spend management platform for managing all of your company spend. Whether you're managing supplier payments, commercial cards or expense management, Corpay Complete streamlines complex payment workflows from start to finish. The scalable and customizable platform is mobile-ready and adapts to your unique business needs.

### AP Automation Solutions:

- **Payments Automation:** Simplify payments with a single file from Sage Intacct for virtual cards, ACH and checks, while earning rebates on vendor payments
- **Invoice Automation:** Utilize AI and OCR technology for automatic data extraction and precise 2- and 3-way matching
- **Procurement and POs:** Create purchase orders with specific line items and manage approvals on the go in the mobile app

### Card and Expense Management Solutions:

- **Corporate Cards:** Consolidate T&E and purchasing card programs with robust administrative controls
- **Purchasing Cards:** Pay suppliers/vendors with ghost cards and one-time-use virtual cards to reduce payment fraud
- **Expense Management:** Leverage paperless reporting and expense tracking with intelligent mobile and desktop applications, directly integrated with Sage Intacct.

## Customize Your Corpay Complete Experience With:

### Vendor Onboarding

Easily collect and store vendor documents, banking data and payment information through a secure vendor portal.

### Custom Workflows

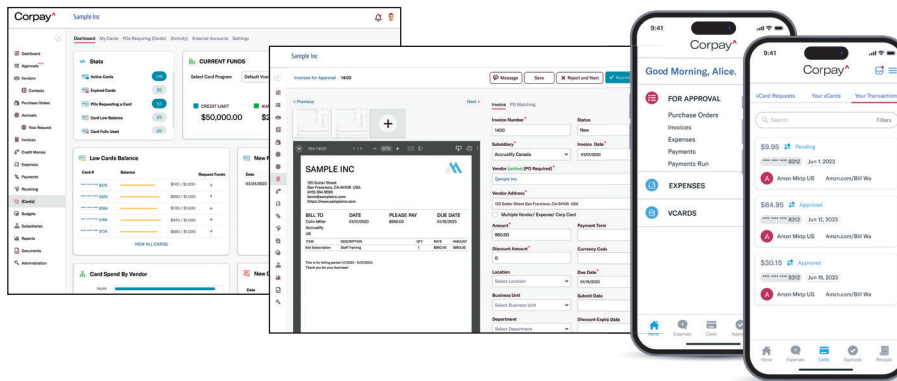

Tailor approval processes and rules while automating tasks to improve efficiency across the entire spend management process.

### Seamless Integrations

Corpay Complete's API integrations let you easily automate data exchange with Sage Intacct, keeping your spend accurate, up to date, and in sync.

### U.S. and International Payments

Enjoy direct integration with all U.S. banks alongside global payments extending to over 200 countries.

## Why Corpay Complete Wins

With Corpay Complete, you'll enjoy seamless integration with Sage Intacct, making data entry easier, cutting down billable hours for your finance team, and much more, including:

### Payment Automation

Make secure, digital payments worldwide while enhancing security and earning cash rebates. Effortlessly handle domestic and international payments in 145 currencies across more than 200 countries, all in a single payment file process.

### PO and Invoice Automation

Easily automate your purchase order and invoice processes with seamless integration into Sage Intacct. Utilize AI and OCR technology for high accuracy in data extraction, precise 2- and 3-way matching, and streamlining purchase order and invoice creation.

### One Centralized, Mobile-Friendly Platform

Manage all your AP spend from a single, user-friendly platform. Whether it's managing requisitions, automating invoices and payments, handling expenses, or simplifying purchasing with commercial card programs — Corpay Complete has it all, right at your fingertips.
