

# SIMPLIFY YOUR PAYMENT PROCESS AND GET PAID FASTER

## Automate Repetitive Tasks

Get valuable time back with a suite of integrated billing & payment automations. 84% of users save 8+ hours/month.

## Eliminate Billing Mistakes

Two-way data syncing and automatic transaction reconciliation eliminates manual accounting errors.

## Improve Cash Flow

Eliminate A/R issues by reducing your time to get paid. Plus, recuperate money lost to credit card transaction fees.

## Elevate Professional Image

Collect through an easy-to-use, always-on payment portal, offering transparency and trust in your payments process.

## Safe & Compliant

Protect customer's sensitive payment info and minimize the risk of a data breach with an encrypted, PCI-compliant vault.

## US-Based Support

Quick-to-respond, US-based onboarding & customer service team offers world-class support and advocacy.

If I had to run a company on three measures, those measures would be customer satisfaction, employee satisfaction, and cash flow.
