Paychex-Sage Integration

With the Paychex Flex® General Ledger, you can easily connect your Sage accounting package and post payroll entries to your general ledger (GL) in seconds, reducing the time, effort, and potential for errors that can occur with manual data entry.

What You Receive

Direct integration. Once your payroll is released, it will post securely and automatically from Paychex Flex General Ledger to Sage.

Data mapped to your chart of accounts. You'll be able to see in real time your GL information mapped to your Sage data fields such as — Accounts, Employees, Locations, Classes, Projects, and Departments.

How it Can Help Your Business

Time savings. No more time-consuming, manual data entry. Payroll data will automatically post to your Sage account.

Convenience. A seamless, accurate, and secure flow of GL information into Sage. Plus, with AccountantHQ, you'll be able to manage all client data from a single platform.

Help when you need it. Paychex Flex General Ledger support is available Monday to Friday, 8 a.m. to 8 p.m. ET, at 877-456-6317.

"I like that I don't have to enter all that payroll. It just comes in and it's right there. It's so nice. That's a big time-saver."
