Grow and scale
your restaurant accounting practice

MarginEdge is your end-to-end restaurant solution. Spend more time adding value to your clients and scaling your business.

- ✓ Eliminate manual data entry
- ✓ Free bill payments
- ✓ Digitize invoices, eliminate paper
- ✓ Fast, accurate data and reporting
- ✓ Best in class support and training for you and your clients

"With the invoice and sales data flowing from MarginEdge right into the accounting system, the team does **more of the management-level work** instead of the data-entry clerk work."
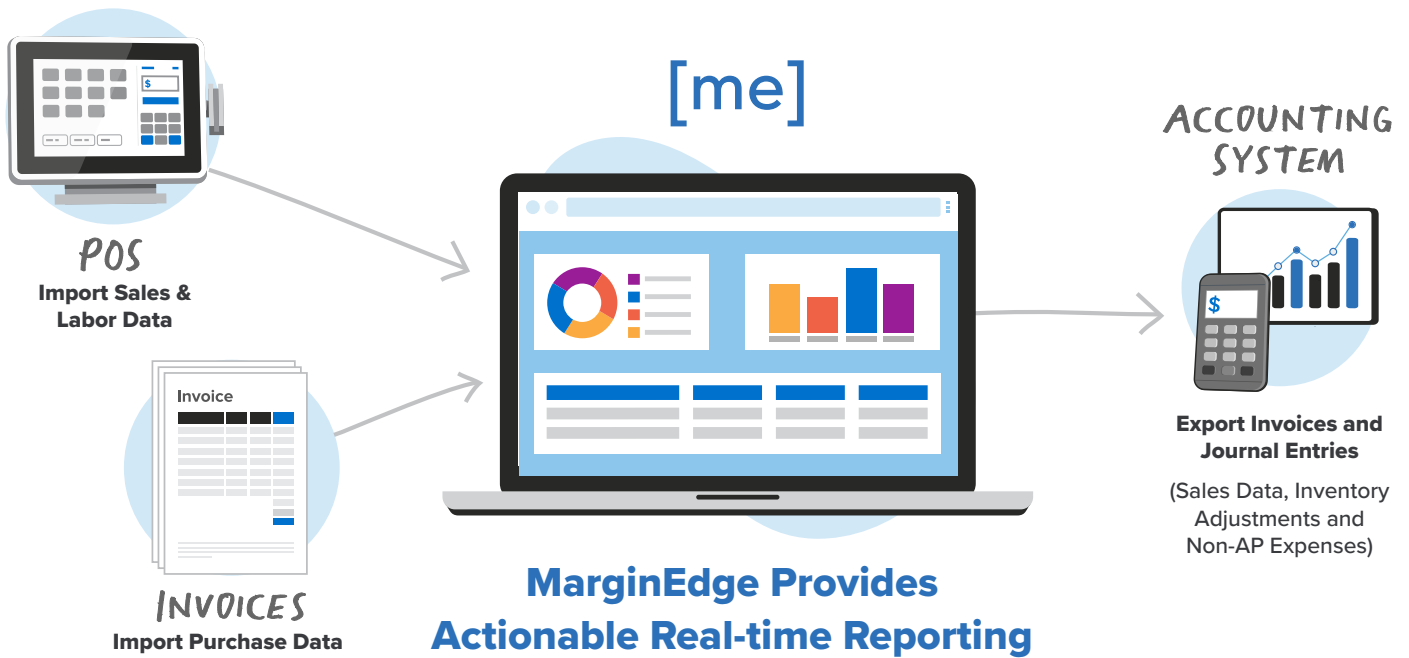

Susan Eder
Cue the Accountant

MarginEdge integrates with over 50 POS and 10 accounting systems, including:

clover A First Data Company · **Revel** · intuit **quickbooks** · **SpotOn** · **Sage** · **toast** · **TouchBistro**
