

What is BILL Spend & Expense?

BILL Spend & Expense is the first complete spend management platform. With BILL, companies can eliminate the need for expense reports, gain real-time visibility of their company spending, increase protection against fraud and wasteful spending, and so much more.

BILL Spend & Expense features

Expense reports

We take care of the expense reporting automatically when you spend. That way you never have to worry.

Send & request

Get money out to your team in seconds with send and request. It's like Venmo for your business.

Smarter budgets

Budget the way your company spends. Manage and assign budgets to groups or individuals and track spend in real time.

Subscription manager

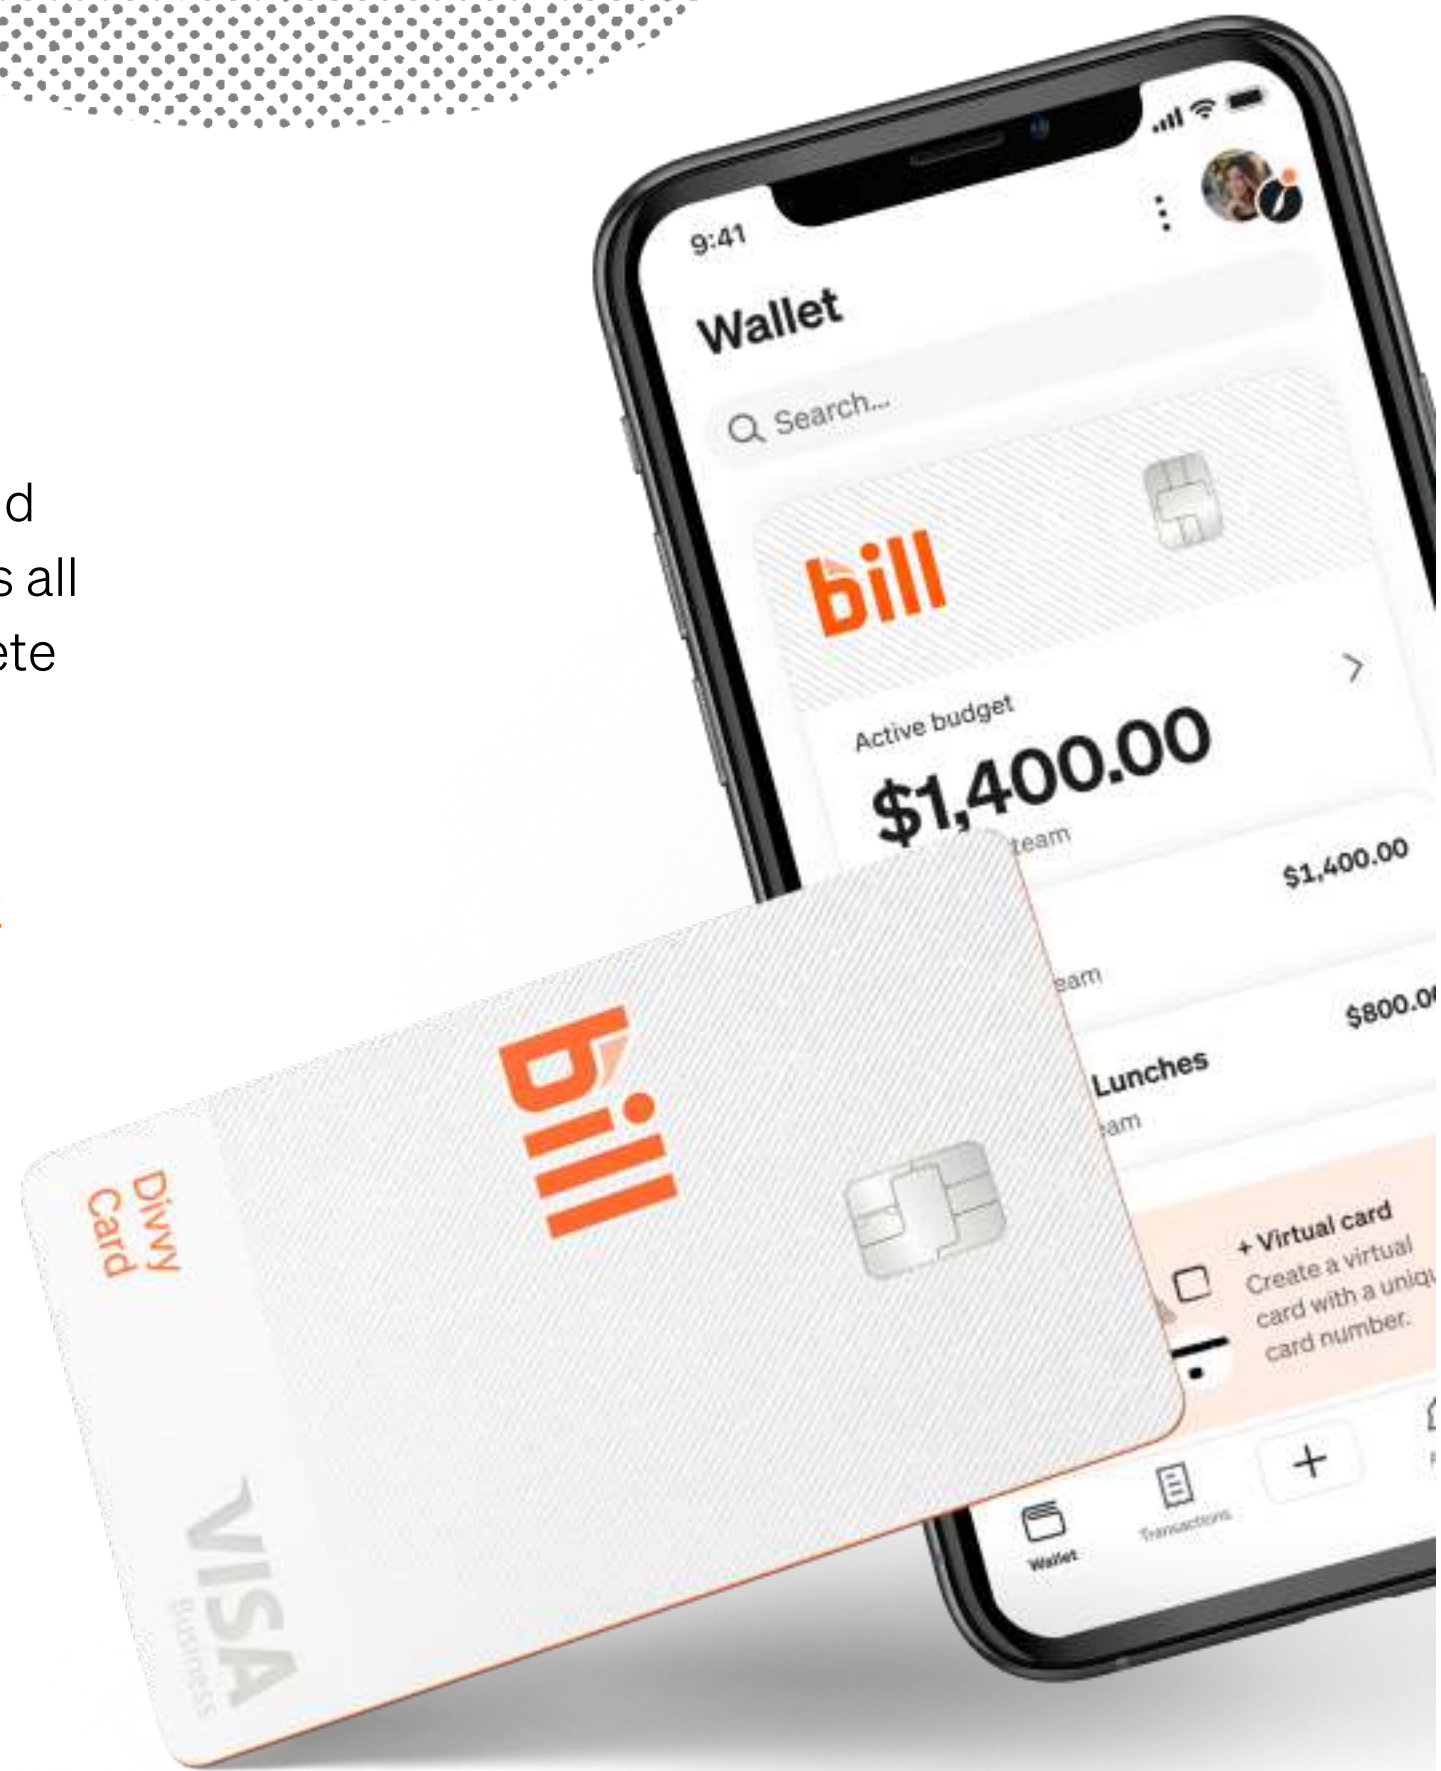

Use virtual cards* to see and manage your subscriptions all in one place. Freeze or delete a card anytime.

Flexible business credit

Fast and flexible credit for businesses of all sizes, with lines from \$500-\$5M+.

Virtual cards

Generate a unique 16-digit card number anytime you need one. Use it for one-time purchases or for your subscriptions.

And we should mention, **it's free.**
We don't charge for any of it.
