

Direct Supply[®] DSSI[™]: Your Gateway to Strategic Procurement Solutions

Discover the epitome of procurement sophistication with Direct Supply[®] DSSI[™], a platform engineered to leverage world-class technology, cutting-edge artificial intelligence, and profound healthcare procurement expertise. Here's a peek into the multifaceted offerings of Direct Supply DSSI:

An Unmatched eProcurement Platform

- Unveil ultimate visibility and control over your spending across all your spend categories including food, med surg, medical supplies, and beyond. The platform's user-friendly interface is tailored for a consumer-like shopping experience, making procurement a breeze.

Comprehensive Spend Management

- Empower your procurement strategies with a blend of AI technology and expert consultation, all on the backbone of the DSSI platform. Our team of procurement maestros meticulously analyzes your spend, identifying cost-saving opportunities through strategic supplier relationships and advantageous contracts, translating to substantial hard cost savings.

Direct Supply DSSI Platform Benefits:

Healthcare Expertise: Direct Supply DSSI was founded in 1995 and is focused solely on providing solutions for healthcare providers.

Strong Customer Base: Join a community of more than 250 healthcare providers and over 15,000 facilities.

Reputable Transaction Volume: Our team processes 12+ billion transactions annually and can help drive efficiencies within your organization.

Robust Supplier Network: From maintenance equipment to wheelchairs, our integration with 400+ healthcare suppliers ensures you get the products you need.

Usability of the Platform: Simplify your team's shopping with the consumer-like shopping experience of the DSSI platform.

Order Guide Management: Direct Supply DSSI utilizes the patented OGM[®] 3 tool and AI technology to optimize your team's order guide management.
