

The Best Run associations are powered by joyn

Configurable. Customizable. Cloud-based.

WE HELP ASSOCIATIONS TO:

- ➔ **RUN** more efficiently
- ➔ **DELIVER** more value
- ➔ **INCREASE** member satisfaction
- ➔ **GROW** more rapidly

Membership Management

Renewal billing, committees, meetings, communications, non-dues revenue and more.

Conference Management

Full conference lifecycle, from initial set-up to post-conference evaluations and continuing education credits.

Competitive Abstracts

Covers call for abstracts to final acceptance. With a few clicks, accepted submissions become conference content.

Conference Mobile App

Integrated with joyn platform, app works seamlessly with online conference. Real-time data enables 'day of' changes.

Continuing Education

Includes session selection (live and recorded), post-test questions, learning objectives, and payment for certifications.

Task Management

Manage staff tasks on planning boards, including due dates, statuses, custom tags, sub-tasks, attachments and notes.
