

Special Sage Intacct promotional offer from Paya

Paya, the premier provider of integrated payment and online commerce solutions, has partnered with Sage Intacct to deliver robust, end-to-end payment processing capabilities directly into your ERP workflows. The combined solution streamlines back-office processes, improves reconciliation, and simplifies payment data management through a unified interface designed to enhance the overall user experience.

Our out-of-the-box, embedded integration offers:

- Multiple payment options
- Customers can quickly pay via a “Click to Pay” link on an emailed invoice
- Syncing of payment data to Sage Intacct as Journal Entries
- Auto-payment of recurring invoices
- Stored tokenized card information to expedite future payments
- Pre-authorized payments
- Support of Level 3 data
- Monitor financial health with comprehensive, customizable reporting.

Our solution requires no up-front setup or development costs and is deployed through a frictionless, API-first, integration that has you up and running quickly with little, to no, disruption to day-to-day operations.

For a limited time, and as a new client, you can also take advantage of a special, introductory offer that gives you up to \$1,000 in statement credits to help ease operating expenses as you transition to our new solution.

To take advantage of this limited-time offer or to learn more about our integrated payment solutions, please contact your Sage Intacct representative.

**Start accepting payments in your Sage Intacct ERP and receive up to \$1,000 in statement credits.*

To qualify, you must comply with the following terms: You must be a U.S. merchant providing goods or services in the U.S. Sign up by 10/31/2020. Offer available to new Paya customers only. Open a new merchant account with Paya (“Merchant Account”) and we will apply credit to your Merchant Account based on your monthly processing volume with your previous merchant service provider as set forth in the chart below (“Credit”). The maximum Credit you are eligible to receive is \$1,000. To receive the Credit: (i) you must provide your three (3) most recent merchant account statements detailing your average monthly processing volume (“Processing Volume”); (ii) your Processing Volume must fall within one of the amounts in the chart below; and (iii) you must process at least one transaction through your Merchant Account within 30 days of approval. Your Credit will be determined based on your Processing Volume as set forth below. If you don’t have any prior Processing Volume, your Processing Volume will be set at less than \$5,000. The Credit will be applied in four (4) equal installments over four (4) consecutive months, commencing the first full month after you commence processing with Paya. Paya may discontinue the Credit payments if you terminate your Merchant Account and, in the event, that it terminates your Merchant Agreement for cause within the first four (4) months. This offer is valid only for the opening of one (1) new Merchant Account and cannot be used in conjunction with any other offer. Offer not available for mobile merchant accounts. AVERAGE MONTHLY PROCESSING VOLUME CREDIT: \$175,000+ = \$1,000 credit, \$75,000 to \$174,999 = \$700 credit, \$0 to 74,999 = \$300 credit. Subject to approval and to Paya’s terms and conditions as set forth in your Merchant Agreement.
