Modernize Your Recruiting Experience

Modernize your interview experience and create a great first impression with quick, easy candidate reimbursement.

Give Your Candidates:

Fast Reimbursement

Candidates want to be out-of-pocket on expensive travel costs for as little time as possible.

Easy Submission

Let candidates focus on preparing for the interview—not filling out long, manual expense reports.

Transparent Policy

Candidates want to know exactly how much of their cost you're going to cover.

Add Detail +

Hassle-free Onboarding
Once invited to Abacus Recruiter, candidates onboard in under 20 seconds from either web or mobile and begin submitting expenses.

Automated Expense Creation
Snap a photo of your receipt and we'll match it to the corresponding card transaction or extract the details to draft an expense. You'll get an alert when it's ready to submit.

Direct Deposit Reimbursements
Once an expense is approved, we handle the reimbursement by directly depositing funds into the employee's bank account in as little as 2 days.

Reporting & Analytics
Organize your expenses in contextual Live Reports, and identify trends in your candidate spend with Abacus Insights.

Temporary Profiles
Set auto-expiration timelines on candidate profiles to limit the user footprint as your recruiting efforts scale.

Foreign Currency Conversion
Support your international candidates with the ability to track expenses in any currency.

Customized Expense Policy
Set automated limits for interview candidates and the system will warn them for you if they violate your policy.

Applicant Tracking Integration
Connect your applicant tracking system to automatically invite candidates to Abacus Recruiter when they are invited to interview on-site.

Configurable Approval Workflow
Classify candidates by location, department, and more to route expenses to the correct hiring manager or recruiter for approval.

Branded Experience
Customize the look of the app and notifications to candidates with your company logo and brand colors.

Make Your Finance Team Happy
Enable seamless mapping to your company's accounting system, ensuring quick and clean reconciliation.

Aligns With Your Tech Stack
Abacus Recruiter works alongside your existing expense reporting solution.

> "Abacus has simplified how we reimburse our interview candidates, making it quick and hassle-free for them and us."
