# ScanForce™ Inventory automation for Sage Intacct

**Who we help:** Distribution, manufacturing, & anyone who has inventory!

## Inventory – n.

*an itemized list of current assets; the quantity of goods or materials on hand.*

## Automation – n.

*automatically controlled operation of an apparatus, process, or system by mechanical or electronic devices that take the place of human labor.*

What we **automate** through the use of mobile barcode scanning technology:
